To Whom It May Concern,

Pursuant to 29-A MRSA section 2103 (4), the Maine Department of Secretary of State, Bureau of Motor Vehicles grants permission to this Maine Long Term Trailer registrant to photocopy their long term trailer registration(s).

The photocopy must be attached to the original registration carried in the vehicle. The Bureau is granting this permission due to a fading problem with the original documents.

Any questions regarding either this policy or specific registrations should be directed to the Maine Bureau of Motor Vehicles, Trailer Registration Unit at 207/624-9000 x. 52145.

Sincerely,

A handwritten signature in cursive script that reads "Catherine Curtis".
