When do you expect it to be completed?

Additional Information:

Describe your need for financial assistance in enough detail to give the Selection Committee an idea of how important this funding would be. Also describe how you plan to use the funds if selected

Please submit informal narratives answering the following questions:

- What are your career objectives and how will this prospective training help meet those goals?
- How did you become interested in the career you selected?
- Describe how your prospective education is tied to the trucking industry and why it is important?

Please submit two letters of recommendation from non-family sources, such as a teacher, counsellor, supervisor or local trucking company. ****PLEASE NOTE**** Suspected AI generated Letters of Recommendation will cause the entire application to be rejected. If your LOR's do not contain the writer's relationship to you (how they know you), if it uses generic pronouns, or does not give us a way to contact them to ask questions, your application will be rejected.

- Upload letter of recommendation #1
- Upload letter of recommendation #2

Is there anything else you think we should know as we consider your application for an award?

In an effort to help us promote the program, awardees must agree to allow MMTA to publish portions of their application including their name, picture and narrative responses (paraphrased or summarized) and any other non-financial information.

- Upload Picture (must not include any other individuals in the picture)
- Upload identification with your picture – license, ID, passport.
